## ABOUT UDENNA LAND

Udena Land is the property and development arm of the Udena Group, and is fast becoming the Philippines' leading property company of choice for businesses and communities.

With 356 hectares in the high growth areas of Pampanga, Mega Manila, Batangas, and Davao, its developments include Clark Global City, a 177 hectare property in the Clark Freeport Zone in Pampanga; Calaca Industrial Sea Port, a 108 hectare property and the country's only industrial park with its own seaport facility located in Calaca, Batangas; and The UDENNA Tower, a prime commercial location in Bonifacio Global City, where the Udena Group's headquarters is located.

## VISION

To be the developer of choice in creating sustainable business communities that contribute to nation-building.

## MISSION

To provide value to our stakeholders through strategic partnerships with fellow developers and investors in building smart, safe, and sustainable centers of success.
